

# PRESENTATIONS COURSE

---

The benefits of learning in the *Presentations Course* are:

- Have fun
- Demonstrate that you have learned to be a better presenter
- Memorize the script(s) that you write for your presentation(s)
- Prepare posters, Powerpoint slides and/or bring objects to support your presentation
- Use the vocabulary learned in presentations
- Practice using appropriate gestures, eye contact, movement, voice inflection and more

*Available for all students who can speak and read basic English!*

---
